Wyndham Clinic Private Hospital's mission is to strive to deliver the highest possible quality and most affordable healthcare to the Wyndham community and surrounding areas in a state of the art facility.

Day Surgery Information:

Wyndham Clinic Private Hospital (WCPH) is a Global Mark accredited and Victorian Government Registered Private hospital.

Our hospital/Day Surgery Unit has two well-appointed theatres that are fully equipped with the latest medical technology with the added provisions and benefits of a modern hospital.

The team at WCPH Day Surgery Unit, including surgeons, anaesthetists and nursing staff, are all credentialed and highly qualified.

Day Surgery Information:

Day procedures provide a convenient alternative to an overnight hospital stay. Patients in our Day Surgery Unit are provided with a comfortable & secure environment, outstanding surgical care and a seamless transition throughout pre-operative preparation and post-operative recovery.

WCPH Day Surgery Unit offers the following surgical services:

- Assisted Reproduction (IVF) with Melbourne IVF
- Gastroenterology
- Gynaecology
- Women's Health (family planning)
- Open Access Endoscopy
- Urology
- Oral - Maxillofacial
- Specialist Paediatric Dental
- Ophthalmology
- Specialist Paediatric Ophthalmology
- Plastic Surgery
- General Surgery
